

# FREEDOM IS NOT FREE MEMORIAL

Located at Baum Park in Manchester, Iowa, the Freedom is not Free Memorial is a testimonial honoring the courage, service and bravery of our service men and women in our community and across the nation. The memorial was dedicated on Saturday, November, 11, 2017.

Five granite monuments commemorating each branch of the armed services rise up to complement two granite walls inscribed with the names of veterans from the surrounding community, the state, and the nation. Stone benches situated atop a paver plaza, each facing a memorial wall honor our veterans, creating a sanctuary for gratitude and quiet reflection.

Your contribution will help to ensure the brave men and women, who have proudly served and in some instances made the ultimate sacrifice, are recognized, honored and remembered.

## HOW YOU CAN PARTICIPATE—ALL DONATIONS ARE TAX DEDUCTIBLE
